## 2022 Sun Valley Summer Championships

The Sun Valley Summer Championships will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the [current rulebook](#), as well as any pertinent updates which have been posted on the U.S. Figure Skating [website](#).

### SERIES INFORMATION:

**Solo Dance Competition Series (SDS):** This competition has been approved by U.S. Figure Skating as an official SDS competition. Skaters who are also interested in earning points to qualify and compete at the National Solo Dance Final on September 7-10, 2022 hosted by the FSC of Southern California, must have registered for the 2022 Solo Dance Competition Series through EMS. The registration deadline for the Series was April 1, 2022. Skaters do NOT have to be registered with US Figure Skating in the Solo Dance Series to compete in these events at this competition.

**2022-2023 Adult Competition Series** – For those skaters participating in the Adult Competition Series, the following free skate/program events (adult 1-6, adult beginner, adult high beginner, adult pre-bronze and adult bronze) are being offered at this competition that meet Adult Competition Series guidelines. Adult Competitors Series participants must submit a photo, scanned copy, email attachment or screenshot of their results sheet to [AdultCompetitionSeries@gmail.com](mailto:AdultCompetitionSeries@gmail.com) by the deadline published in the most recent [Adult Competition Series Handbook](#) to receive credit and series points.

### ELIGIBILITY:

This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules and are currently registered and fully compliant members of U.S. Figure Skating or Learn to Skate USA in accordance with the current rulebook. Please refer to the current rulebook for non-U.S. Citizens.

If for any reason, it is discovered that a skater is entered in an event or a level they are not qualified to compete, the LOC and chief referee can move the skater into the proper competition event, even if this must be done on the day of the event.

**Test Requirements:** Competition level is the highest test passed as of the entry deadline in the discipline the skater is entering. All Snowplow Sam and Basic 1-6 skaters may not have passed any U.S. Figure Skating test including Moves in the Field or individual dances. Entrants may skate up one level above that for which they qualify, but they may not skate down in any event. Skaters may not compete at more than one level in the same type of event at the same competition.

**Age Restrictions/Requirements (age as of the entry deadline):** Singles short program and free skate events (Well Balanced Program) have the following requirements:

- Juvenile: Girls - 12 years of age or younger; Boys - 13 years of age or younger
- Open Juvenile: Girls - 13 years of age or older; Boys - 14 years of age or older
- Intermediate: 17 years of age or younger
- Adult and Masters: 21 years of age or older

**Size, Splitting and Combining of Events and Warmups:** The LOC and chief referee reserve the right to combine or split events where the rules allow or to combine Open Juvenile with Juvenile events. For Compete USA events, there will be no more than six competitors in an event. Skaters entering Pre-Juvenile or lower will be split as closely as possible by age should the number of entries warrant more than one group. Skaters entering events allowing more than two competition levels (eg, Basic 1-6 Showcase) will instead be split first by test level and then by age if the number of entries warrant more than one group. All events may be skated with more than six skaters in a warmup group.
